

Mirrors

Photography Mirrors

RHODIUM FRONT SURFACE
+ ULTRA FRONT SURFACE

The images are of exact sharpness and contrast without any distortion up to the smallest detail. In combination with the bright and brilliant reflection in natural colours, you get intraoral images of explanatory power.

The FS Rhodium mirror provides options of new perspectives.

Rhodium FS

ULTRA FS – the brightest and sharpest mirror worldwide. The new unique design of the mirror layers provides superior bright images and crystal clarity previously unavailable.

Photography Mirrors | for intraoral photos, front surface coated.
